

Baby, it's (gonna get) **COLD** outside

On behalf of the [MHA Warming Center](#) located on Peach Street in Erie,
AVON is sponsoring, and **Stairways Behavioral Health** is hosting,
a **FUNDRAISER** - with up to 30% of the **SALES** going to the **Warming Center!**

***What's a warming center? - A safe, warm place to stay, eat a light meal, take a shower
and do laundry, when the temperatures get below 25 degrees.**

Even though the 2016/2017 winter season was warmer than usual, **345** Erie
residents experiencing homelessness (some of them kids), who needed a safe,
warm, clean, friendly, supportive place to be, were helped. Time to help more.
