

SUMMIT BHC & GRACE'S WAY RECOVERY

PRESENTS LUNCH AND LEARN
"OPIOID CRISIS"

"A CALL TO PASTORS, LEADERS, ADMINISTRATORS"

The time is here and the time is now.

So often the ability to help is beyond our scope. We understand and know what to do about the spiritual part of the human being, but the physical dilemma often stands in the way. We would like to help you understand the disease of addiction and how to be of service to the suffering addicts.

When you don't know where to turn for help in fighting the addiction battle you are faced with don't give up because you are not alone in such times, God is with you; Turn to the one's he has put into place and he shall be glad to help you out.
